

In the bathroom, in the living room or on the terrace... designed by E00S, **Sundeck** can be set up wherever there is a hot water connection. The practical cover keeps the bathwater at a desirable temperature. But there's more: it folds together to become a comfortable headrest and can be closed to create a relaxing lounger.

Sundeck

An all-in-one bathtub, lounger and wellness source: Sundeck for twice the amount of relaxation – both indoors and out.

The free-standing version of Sundeck is available as a single-seater (190 x 90 cm) and two-seater with two sloping backrests (210 x 90 cm). Tub paneling is available in a choice of eight real wood or wood décor veneers.

(1) The upholstered cover folded together to form a headrest. **(2)** The whirlpool and color programs can be operated by remote control. **(3)** The hand-sewn white cushions and neck rolls make for additional comfort. **(4)** An upholstered white fabric step (109 x 28 x 14 cm) makes it easier to get into the bath. **(small picture)** When Sundeck is installed outdoors, a tarpaulin keeps the tub and the water clean.

Indoors, Sundeck also provides the ultimate vacation-like retreat: shown here with real wood Macassar veneer panelling.

A single-seater, 190 x 90 cm, and an XL two-seater, 210 x 90 cm, are also available as built-in versions. And for those who would like to experience something more when bathing, the optional Duravit whirlpool systems and LED colored lights are available for all versions. **(small picture)** Sundeck as a lounge with closed cover.
